MEET THE TEAM

Aklilu Y. Estifanos

SPECIAL INSPECTOR

Prior to moving to the US in 2005, Aklilu Y. Estifanos worked as a building contractor for 10 years in Eritrea (East Africa). Since then he's been working as a special inspector and joined the SCST team in 2014. His responsibilities include observing assigned work for conformance with building approved plans, specifications, and codes as well as maintaining relationships with coworkers, clients, and other involved parties. He has extensive experience on various types of projects; commercial, residential, federal, public works, and institutional. A.K. received his Bachelor's Degree in Civil Engineering from Addis Ababa University and holds ICC, Los Angeles City, and Los Angeles County special inspection certifications.

Which person from history would you most like to meet?

Mahtama Gandhi. He was an exemplary leader.
